Team,

My apologies for the delay in turning around the redline; I've had time sensitive issues arise in another matter. I will do my best to turn the redline around to you tomorrow. Although I will be on leave next week, I can send the document to Fred next week assuming there are not considerable revisions after the Team reviews.

If further revisions/coordination are needed (or everyone is on leave early in the week), we will aim to turn it around shortly after Thanksgiving. I appreciate everyone's efforts on this and really appreciated the call earlier this week to move this forward.

Thanks,
Brad
